

How to Get My iPad Ready for Class!

1. Authenticate Outlook Email 2. Authenticate Microsoft Teams 3. Connect to Wi-Fi

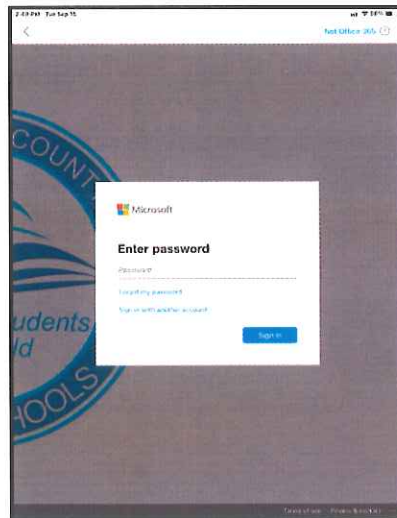

Turn on your iPad by pressing and holding the power button until you see the Apple logo.

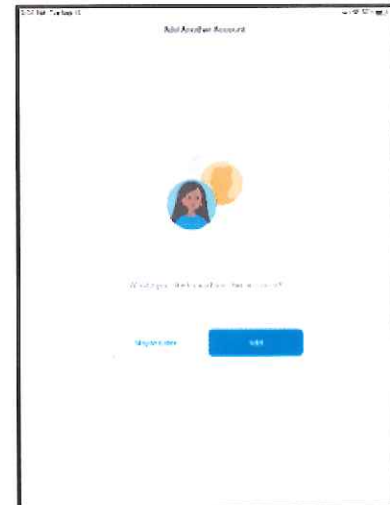

You are going to authenticate Outlook using your Dadeschools credentials. Select the "Productivity" folder to display the Outlook App. You may have to swipe through the Apps to locate the folder.

Type your Dadeschools email address which is; studentID#@students.dadeschools.net

Enter your portal password when prompted and Sign In.

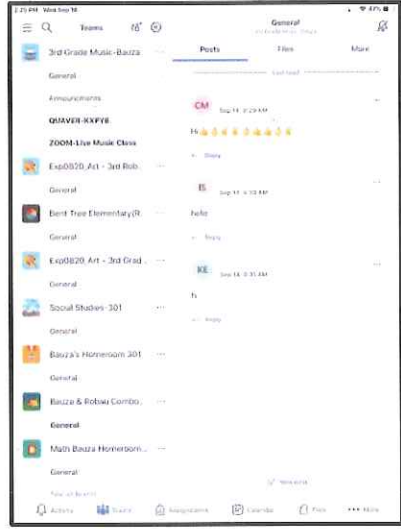

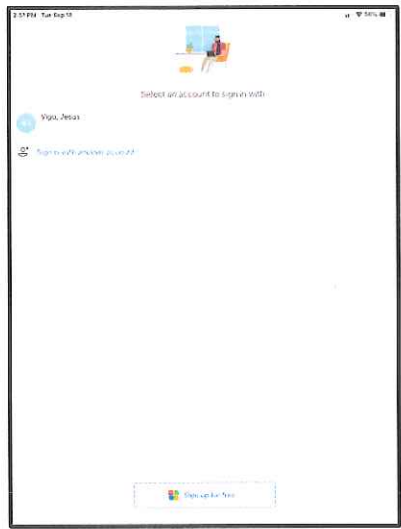

You're Done! Select "Maybe Later" to close window and access your email.
