

**HAMMOCKS MIDDLE SCHOOL
APPLE CODING MAGNET PROGRAM POLICY**

The goal for all students enrolled in the Hammocks Pre-Law Magnet Program is that they achieve optimum success in the overall program; therefore, students will be evaluated periodically to determine their progress in the program.

In individual cases, where it may appear that improvement is needed, a review committee, composed of the teacher, counselor, lead teacher, and a supervising administrator, will examine the student's record. Parent/teacher/counselor/student conferences will be scheduled as needed and strategies will be outlined to assist each student in achieving his/her maximum level of performance.

A student may be given a probation warning, placed on probation, and/or exited from the magnet program for any of the following reasons:

- Course grades of D, or F on the quarterly report card (academic and/or conduct grades)
- An overall grade point average of below a 2.0
- Inappropriate conduct in classes, school functions, or field trips
- Excessive tardiness and/or absences to classes or to school (10 or more a year)
- Failure to comply with school rules or class guidelines
- Any indoor or outdoor suspension may lead to immediate scheduling of exiting conference

The first step in the probation process is the Probation Warning, whereby the student and parent are informed that the student has not demonstrated the behaviors necessary for continued placement in the magnet program. If sufficient progress is not noted during the next grading period or any time thereafter, the student is placed on probation, and a Probation Notice will be signed by the student, parent, and teacher. During the grading period following the signing of this notice, the student must show sufficient progress to warrant continued placement in the magnet program. If this is not demonstrated at that time, or at any time thereafter, an Exiting Conference will be held with the student and parent, at which time the teacher, lead teacher, counselor, and supervising administrator will determine whether the student will be allowed to stay in the magnet program or be returned to his/her home school.

Participants for field trips, special functions, or activities associated with magnet program or the school are selected based on the following criteria: (1) Course Grades in magnet classes (academic and conduct); (2) Satisfactory work and conduct in non-magnet classes; (3) Appropriate conduct at all magnet-related activities; (4) Attendance and punctuality at magnet-related activities; (5) Consistent compliance with magnet/school rules and guidelines.

The cooperative efforts of the parents, teachers, counselors, and administrators will guarantee excellent results.

We have read the Hammocks Middle School Apple Coding Magnet Program Policy. We are fully aware of the requirements with which we must comply in order to continue in the program.

Student's Name (print clearly) _____ ID# _____

Student Signature _____ Grade _____ (2023-2024)

Parent's Signature: _____ Date _____

Address _____ City/ST _____, FL Zip _____ - _____

Cell No. _____ Home No. _____
